Mike Herrick
President
Aquatic Contracting

Dear Mike:

On behalf of Friends of Fox Creek, we want to thank you for the quality of workmanship, attention to detail, and complete professionalism you and your team provided during the installation of the large wood project on Fox Creek. The log placements are already dispersing spawning gravel, slowing high water, and creating important pools. Your ability to forge constructive working relationships with us, the City of Rainier, neighbors of the project, and other interested parties was outstanding. Again, thank you for such a good project.

Sincerely,

A handwritten signature in blue ink that reads "Chip Bubl".
